Second Project Meeting in Murcia
16th February 2012

Due that in the original proposal sent to the National Authorities of the "Programme pour l'Education et la Formation Tout au Long de la Vie Leonardo da Vinci Type of action: Partenariat" the following six partners integrated the consortium:

- Partner 1 (Coordinador): ASSociation des Eleveurs de DORdogne (France)
- Partner 2: NATIONAL TECHNOLOGICAL CENTRE FOR THE FOOD AND CANNING INDUSTRY CTC (Spain)
- Partner 3: Due Mondy Ecotec S.a.r.l. (Luxembourg)
- Partner 4: COOPERATIVE TERRA CHA (Portugal)
- Partner 5: Centre des technologies agronomiques (Belgium)
- Partner 6: Municipalité de Torricella Sicura (Italy)

And that three of them did not obtain funds from their National Authorities, so only the following three partners remain in the consortium of the project:

- Partner 1 (Coordinador): ASSociation des Eleveurs de DORdogne (France)
- Partner 2: NATIONAL TECHNOLOGICAL CENTRE FOR THE FOOD AND CANNING INDUSTRY CTC (Spain)
- Partner 3: Due Mondy Ecotec S.a.r.l. (Luxembourg)

All the partners, Asseldor, Due Mondy Ecotec and CTC, agree in the following:

This significant reduction in the number of partners will not have a significant effect in the objectives of the project that remain the same.

The programm of activities will be reduced eliminating the visits and activities related with the three partners that did not get funds: COOPERATIVE TERRA CHA (Portugal), Centre des technologies agronomiques (Belgium) and Municipalité de Torricella Sicura (Italy).

So the final programm of activities is the following:

1. Seminaire de lancement. France. November 2011
2. Technique visit. Spain. February 2012
3. Meeting Pratique Guide and Technique visits. Luxembourg. October 2012
4. Final Meeting. Presentation of Results. France. April 2013
